

## INVITATION LETTER

Feb. 18th, 2016

Dear Author,

The 2nd International Conference on Agricultural and Biological Sciences (ABS2016) will be held in Shanghai, China, during July 23-26, 2016.

Agriculture was the key development in the rise of sedentary human civilization. Promoting scientific and technological progress in the field of agricultural and biological sciences has become the consensus of all the countries in the world. The main objective of ABS2016 is to provide a comprehensive global forum for experts and participants from academia to exchange ideas and present results on ongoing research in the most state-of-the-art areas of Agricultural Sciences, Food and Biological Science and their research methods and techniques.

The conference program consists of keynote speeches, oral and poster presentations and tourism.

We cordially invite you to participate in the conference, and we have every reason to believe that you would make the conference more successful.

We are looking forward to meeting you in Shanghai, China.
