

ABS 2017

June 26th-29th, 2017
Qingdao, Shandong, China

The 3rd International Conference on Agricultural
and Biological Sciences (ABS 2017)

Call for Papers

+ Conference Introduction

The 3rd International Conference on Agricultural and Biological Sciences 2017 (<http://www.absconf.org>) will be held from June 26th to June 29th, 2017 in Qingdao, Shandong Province, China. ABS conferences held annually aim to provide a platform for global scholars to exchange techniques, ideas and establish friendship. ABS2017 will focus more on the following five subjects, Botanical Sciences, Animal Sciences, Soil Sciences, Food Sciences and Biological Sciences. The newest theories, viewpoints, technologies, products and applications will be extensively exchanged. On behalf of organize committee, we sincerely invite you to attend and contribute to the conference.

+ Conference Chair

Prof. Dr. Monir M. El-Husseini, Professor of Environmental Protection, Faculty of Agriculture, Cairo University, Cairo, Egypt

+ Keynote and Invited Speakers

Prof. Dr. Monir M. El-Husseini, Professor of Environmental Protection, Faculty of Agriculture, Cairo University, Cairo, Egypt

Prof. Dr. Moniruzzaman Khondker, Department of Botany, University of Dhaka, Dhaka-1000, Bangladesh

Prof. Dr. Mohammad Golabi, Professor of Soil and Environmental Sciences, Faculty and Chair of Environmental Science Graduate Program, College of Natural and Applied Sciences, University of Guam, Guam-USA

Prof. Dr. Eli Cohen, Adjunct Senior Research Fellow, School of Marketing, University of South Australia, Australia

+ Call for Papers

Submissions of original research papers and abstracts for the main program and the doctoral consortium in all areas of ABS in Agricultural, Biological, Food and Environmental aspects includes but not limited to:

* Agricultural Sciences

<p>1. Botanical Sciences</p> <ul style="list-style-type: none"> Plant Genetics Plant Biology Photochemistry Plant Breeding Plant Protection Interactions Botanical Drugs 	<p>2. Animal Sciences</p> <ul style="list-style-type: none"> Animal physiology Animal Management Animal Anatomy Animal Ecology Animal Breeding Animal Nutrition Poultry Science Insect Sciences
<p>3. Soil and Environmental Science</p> <ul style="list-style-type: none"> Soil Science Soil Contamination Soil Conservation Soil Productivity Soil Biology Biological Chemistry Environment Pollution in Agriculture 	<p>4. Other fields in Agricultural Sciences</p> <ul style="list-style-type: none"> Food Sciences and Technology Agricultural Economics Rural Sociology Organic Agriculture Agriculture Information Technologies Agricultural Operations Management Agricultural Production Engineering Post Harvest Problems and their Solutions Dry Land Agricultural Farming Systems (including stress biology) Climate Change and Biodiversity (plants, pests, beneficial organisms)

* Biological Sciences and Biotechnology

<ul style="list-style-type: none"> Biological Engineering Cell Biology Molecular Biology Biofertilizers Biosecurity Reproductive Biology Biochemistry Biodiversity 	<ul style="list-style-type: none"> Microbiology Biological Pesticides (insects, nematodes, weeds and plant diseases) Biotechnology in Agriculture Genetic Engineering in Agriculture Nanotechnology in Agriculture Integrated Crop and Pest Management Molecular Identification of Flora and Fauna

ABS 2017

June 26th-29th, 2017
Qingdao, Shandong, China

The 3rd International Conference on Agricultural
and Biological Sciences (ABS 2017)

Conference Proceedings:

Accepted full papers in the fields of biological, soil and environment science will get published in the IOP Conference Series: Earth and Environmental Science (EES), and will be sent for indexing in Scopus, Engineering Compendex (EI), GeoBase, Georef, Inspec and etc.

Selected full papers will get published in Journals in related field like Egyptian Journal of Biological Pest Control, Biology and Fertility of Soils, Legume Research and Indian Journal of Animal Research. After publication, all those will sent to the Thomas Reuters for ISI indexing.

Submission Methods

All Participants are encouraged to submit unpublished and original contributions to ABS 2017 via the online submission system.

Important Dates

Submission Deadline December 30th, 2016 (First Round)
